

Co-Founder wanted in the field of Business Development (m/w/d)

Immediately | Full

We are looking for a Co-Founder for our startup
"Reconstructy" (m/f/d) **with a focus on product development.**

Who we are

2b AHEAD Ventures is boldly venturing into an exciting tomorrow through building startup teams and accompanying them on their way to success. We come up the ideas, find the right partners and investors, and provide interested entrepreneurs with the opportunity to found these businesses with us.

We are seeking a founding team for a well-funded idea that is ready for bold developments and motivated founders. The Startup will combine the growing power of 3D scanning with the antiquity and building markets. Will you help archive and restore history while building the world of tomorrow?

Who we are looking for

As someone already interested in Start-ups, you must have experience designing and building large and complex (yet maintainable) systems, but you should be able to do so in about one-third the time that people think possible due to your incredible motivation and resourcefulness. Business Development is a skillset for you.

Skills you possess

- You have professional experience, finished studies, or are studying in one of the following technical areas: Business Administration, App Development, Business Management, or a similar focus
- You are able to be inspiring through leadership to create and implement a company-wide vision and strategy
- You can imagine building your own team of developers, artists, and co-workers while leading them through the growth of the business
- You are motivated with a Founder's mindset and the ability to self-start
- You enjoy prototyping and the development of new mobile applications which users love to use
- Work together with the current co-founder to Assure all legal and regulatory documents are filed and monitor compliance with laws and regulations; build alliances, partnerships, and sales pipelines; oversee the day-to-day operation of the company.

What we offer

- An idea, ready to start, with corresponding seed capital as well as large shares in the GmbH to be founded - Try asking Rocket for that!
- Support in team-building and interacting with investors
- Co-working and support from our Network and experts at 2b AHEAD Ventures
- Currently, we work flexibly from the home office due to COVID-19, but you will be asked to eventually join us in Leipzig, DE

At 2b AHEAD Ventures, we attach great importance to a work culture that offers equal opportunities and promotes diversity for every employee. We would like to call on all interested people, regardless of their gender or gender identity, sexual orientation, origin, age, religion, or disability, to apply.

Interested? Apply now! Please send us an e-mail with your CV: joe@2bahead-ventures.com.
